

Welcome to a new school year. Each year begins with a fresh start for staff and students to create a positive learning environment for all to learn and grow in.

I hope you will find this booklet useful. Please keep it for further reference throughout the school year.

Sincerely,
Barb Hondas, Principal

Staff 2016- 2017

Principal: Mrs. Barb Hondas
Teachers: Mrs. Jodi Sobey
Mrs. Joni Craig
Mrs. Cheryl Carroll
Mr. Chris Ross

Educational Assistant: Mrs. Mary Moran

Secretaries: Karen Holmes

Custodian: Mr. Paul Robichaud

School Hours

8:15- 2:00 K-2 Students
8:15 - 3:00 3-5 Students
10:05 - 10:25 Recess
11:30 - 12:30 Noon

Note: To improve the safety of the school, we are asking that parents please send a note if you are picking up your child. Also we are asking parents to wait at the main office until the dismissal bell rings, before going to their classroom.

Bus students begin arriving approximately 7:45 a.m. Teacher supervision begins at this time and no students should be dropped off before this time.

Students arriving after 8:20 a.m. will be considered late. It is very important that students develop the habit of being on time and ready for classes as this will carry over into their later school years. Students arriving late often interrupt the class and miss important pieces of information and instruction.

Telephone Calls

There is no secretary at the school in the AM. Please leave a message and we will get back to you as soon as possible. The phone is not for student use except in an emergency situation.

If your child will not be following the regular routine, please let the teacher know in writing instead of a last minute phone call. This will ensure that the message is delivered and that your child is not confused as to where they are going.

We cannot allow the students to make changes to their routines without proper notification. Please include **civic address** on Bus Note.

Attendance Policy

This policy has been in effect since March 2002 with the intent to promote attendance from kindergarten through grade 12. Attendance is a vital ingredient of a child's success in school. The Attendance Regulation clearly states: Regular attendance is mandatory for all students enrolled in public schools. Attendance and absenteeism will be monitored and regulated to ensure everyone may be guaranteed the same opportunities for a basic education and productive future.

- Each absence requires a signed, dated excuse from the parent.

Phys. Ed

Students will not need to change for Phys. Ed. Gym sneakers are required. Students have 30 minutes of Phys. Ed. Daily. **A good running sneaker or cross-trainer is recommended. Flat sneakers are not recommended. Comfortable clothing is also a good idea.** If your child cannot tie laces, Velcro would be appreciated.

Policy 701

All volunteers working with children are required to complete Policy 701 training. This is available on-line. Please take the time to complete your training if you do not have it. The training is available at www.asd-n.nbed.nb.ca Click on District Policies and Regulations, and then choose Regulations 206. Proceed through the information then the click on the [http: 701.nbed.nb.ca](http://701.nbed.nb.ca). It is that easy! Thank you for taking time to complete this. Please notify Mrs. Hondas once the policy is completed.

Parent Parking

Please use the staff parking lot when dropping off or picking up your children. **We ask that you do not drive through the school yard during school hours for the safety of the students. The area in front of the school is for buses only.** Please tell any others who may be dropping off your child as they may not know the procedure.

Bus Policy

Please note that according to District Policy on bus use, only children assigned to a bus should be traveling on it. **Students traveling to a friend's home, birthday parties, etc. must find other transportation.**

Although the staff tries very hard to ensure that each child goes on his/her bus, mistakes do happen. In such a case, the bus drivers are instructed to bring the child back to the school so that home contact can be made. A written note is required for all changes with the civic address included.

School Bus Basic Rules

- Obey the driver
- Respect others
- Remain seated
- Keep aisle clear
- Talk quietly

Violation will result in disciplinary action.

Lunch Policy

There are no provisions for heating food at noon hour so please ensure that your child's lunch is such that it requires no preparation at school. We encourage Healthy Snacks, and we discourage fruit roll ups, mini sips, chocolate bars, dunkaroos, etc.

Staying Indoors at Lunch and Recess

It is very important that the children play outdoors each day, weather permitting. We ask that you dress your child appropriately for the weather as the fresh air and the exercise is important in the physical development of young children.

Please do not write notes for the children to stay indoors. With a small staff, there is not extra staff available to supervise. Your cooperation in this matter would be greatly appreciated.

Canteen

OPEN AT NOON ONLY

Milk – 0.50 (white) 0.50 (Chocolate)

School Supplies

Please have all money or supplies to school by September 9th. If you have any questions or concerns, please call the office.

Lost and Found Items

Every year there are many good items of clothing and footwear left in the "Lost and Found" box as many of these items have no identification on them and we are unable to return them to the rightful owners. **Therefore, you are encouraged to label your child's items so they may be returned if lost.** This also helps in the wintertime when boots, mitts, hats, snowsuits, etc. are mixed up or misplaced. The Lost and Found box is located at the end of the hall. Please feel free to check the lost and found when you are in the building. At the end of the year, these things are donated to a local charity.

Progress Reports

Formal Progress Reports for all students will be sent home as follows: First Term Reports go home in November. Second Term Reports go home in March. Third Term Reports go home on the last day of school in June. If at any time you have questions or concerns about your child's progress you are encouraged to talk these over with your child's teacher. **This year there is a new report card format. At meet the teacher, a short presentation on the changes will be done.**

Parent – Teacher Communications

Please make a special effort to discuss any concerns about your child at the school. **Student issues should not be discussed in public places.** You can call your classroom teacher and discuss your concerns or set an appointment. The staff is very willing to accommodate any such request. We thank you in advance for respecting this school policy.

Home and School Association

The Napan H&S Assoc. is active in supporting the school. All parents are invited join the association. The Association is as successful as the support it receives from you, the parents.

Positive Learning Environment

Schools are one of the most important institutions in children's lives. It is where they learn not only the "3Rs" but what it means to be a member of a large community and where they acquire a sense of their own competence and worth. Therefore, establishing and maintaining an orderly school and classroom is a primary determinant of learning and teaching success.

The ultimate goal of all discipline practices is to educate students to be responsible and respectful.

In order to establish and maintain effective discipline the staff, at the beginning of the school year, establishes classroom rules based on the I-care program and Brain Based rules.

For difficult behavior problems it is very important that parents are involved and that the school and home work together to help the child.

Suspensions from school and the bus are kept to a minimum.

Teaching children to have respect for themselves, for others, and for the environment will help prepare them to be responsible and productive members of society. All students will be taught the 5 I-Care Rules. They are as follows:

1. We listen to each other.
2. Hands are for helping, not hurting.
3. We use I-Care language.
4. We care about each other's feelings.
5. We are responsible for what we say and do.

Please be advised that electronic devices (Ipod, DS, Cell phone, etc) **cannot be used on school premises for taking pictures or videos.** They can be used for

things such as games and music. Also, such devices will be left in their book bags during class time and the lunch break between 12:00 pm and 12:30 pm.

This year, we will continue to use a behavior tracking form which will be sent home to notify you of your child's behavior at school. If this form is sent home, please sign and return. This information will be tracked on a provincial computer program. The aim is better communication between home and school so we can work together for improvements to promote a positive learning environment. These forms are used province wide and help the staff to make decisions concerning student conduct.
