Dear Napan Elementary School Families:

Re: **POSITIVE COVID-19 CASE AT NAPAN ELEMENTARY SCHOOL**

This is to inform you that Public Health has confirmed a **positive COVID-19 case** at Napan Elementary School. Public Health has also confirmed that this new case **did not attend school with students while infectious**, so no additional notifications are required at this time. This is simply to make you aware that a case associated with the school has been confirmed.

School will continue as usual tomorrow.

We take this opportunity to remind you that children and young people look to the adults in their lives to guide them on how to react to worrying and stressful events. Parents are encouraged to talk to their children about any anxieties and remind them to treat one another with kindness and respect, in person and on social media.

As always, if your child is showing any symptoms of COVID-19, you should:

1. Register them online for a test by clicking "Get tested" on the GNB corona virus website ([www.gnb.ca/coronavirus](http://www.gnb.ca/coronavirus)), or
2. Contact Tele-Care 811

Thank you for your cooperation and support.

Sincerely,

Mark Donovan

Superintendent
