

APRIL 3RD-6TH

RECAP AND UPDATE

Last week we had a lot of fun! On Tuesday we had a special visitor from Zimbabwe, she taught us about African dance, story telling and drumming. On Thursday we were able to do crafts with some seniors at Bridgeview Nursing Home. Students did a great job! This week, report cards go home Thursday.

This is my final week with students, Mrs Carroll will return on Tuesday, April 11th.

MATH

We are now looking at how to solve equations with one missing variable.

No math homework this week.

REMINDER

Report cards go home April 6th
No school Friday, April 7th
