

November 13th , 2024

Dear Parents:

The elementary Basketball season is here again. Any students in grades 3, 4 or 5 are invited to come out and have some fun. Parents are responsible for making travel arrangements for their children to and from the games and the afternoon practice. Proper footwear will be expected.

During the games, students are the responsibility of the coach, and all school rules and guidelines are in effect. Napan Elementary prides itself on team play and sportsmanship and we expect those students that choose to play for the Napan Basketball team will exemplify these characteristics.

Practice will be held every Tuesday after school, beginning November 19th from 2:30 - 4:00 pm. Our first game is Thursday, November 21st at Millerton School at 3:30. Kids are to be there by 3:15
