I wanted to share the exciting news that on March 16th, 2019 Renous, New Brunswick was announced as one of the Top 4 finalists in the bid for Kraft Hockeyville 2019. Each finalist will receive a \$25,000.00 prize but we want to dream big and go for the top prize of \$250,000.00.

We, as a rural community in NB, are asking for your support. I am sure most if not all of you have spent some time at our arena and agree that it is in need of much repair. We have rallied together as a community since January 20th to do this in memory of Thomas Dunn who passed away tragically last summer at the age of 14 in a dirt bike accident. He was a very talented hockey player and humble young man who has had a lasting impact on his family, friends and teammates.

I ask that when voting *opens on Friday, March 29th @ 1:00pm through Saturday, March 30th closing @ 9:30pm* rally voting support as our final quest for the Kraft Hockeyville Title. You can vote as many times as you want within that 32 hour time frame.

Visit the website for any other details: www.krafthockeyville.ca. If you have not seen our promotional video and the Top 4 announcement, I would encourage you to go and see how far we have come on our mission.

Winner is to be announced @ 11:30 pm on March 30th, the eve of Thomas Dunn's 15th birthday.

New Brunswick is the only Atlantic province that has not won the Kraft Hockeyville title in the 13 years of the contest. We are Hockeyville. A win for one is a win for all.

Together, we can do amazing things so let's do this for our Province of NB – on March 29th & 30th we humbly ask for your continued support. Please share with your counterparts so we can make this happen for New Brunswick.

Sincerely,

Krafthockeyville in Memory of Thomas Dunn Committee
